Irish Speaking Volunteer- Hollyhill area

Our service in Hollyhill have two female residents originally from a Gaeltacht area who love to listen to people speaking Irish. They would love to share a cup of tea and play a board game or have their nails painted while spending some time chatting with a new friend.

This is an opportunity for anyone interested in practicing their conversational Irish. Your input could help these ladies to improve their communication skills and will enhance the quality of their lives.

The time involved is 1 to 2 hours per week ideally in the afternoon/early evening on any day of the week. We would like the volunteer to commit to at least three months.
