Cope Foundation in Cork Communities

## Love to knit?

### Knitting Buddy - Le Cheile

This is an activity they really enjoy. The volunteer should be an experienced knitter and someone who is kind, caring and patient. They should also have an interest in supporting elderly people with an intellectual disability.

The activity will be for one to two hours per week and we can be very flexible regarding which day/time, mornings or afternoons. This residence is on a good bus route. We would like volunteers to commit to at least three months.

This role will suit volunteers who really enjoy knitting and want to get to know a new group of friends whilst supporting them in enjoying a much-loved hobby

1-2hrs

Le Cheile
