

HORIZONS

Cope Foundation in Cork Communities

We want a volunteer to share their love of music with the people we support in our day service

Musician - Mallow Day Centre

We would love to have a volunteer who will sing songs and play guitar or keyboard for the people we support in our day service. These are an older age group so the music will need to be to their taste.

The volunteer will need to be musical, fun and have a friendly and caring attitude to people with an intellectual disability.

The music session is planned for any afternoon from Monday to Friday for one hour, the ideal time would be from 2.00PM to 3.00PM but we can be flexible to suit the volunteer. We would like someone to commit to at least three months.

The volunteer will have an opportunity to see people enjoying their music. The people we support in Mallow really enjoy singing together. The volunteer will get to experience this joy and see people making friendships and communicating through music.

1 hour per week

Mallow
