Music sessions

Singer/Musician – Mayfield/Montenotte area

We would love to have a volunteer who will sing songs and play guitar or keyboard for the people we support in our day service.

The volunteer will need to have musical talent, a sense of fun and have a friendly and caring attitude towards people with an intellectual disability.

The music session is planned for afternoons on Monday or Tuesday for one to two hours but we can be flexible to suit the volunteer. We would like someone to commit to at least three months.

The volunteer will have an opportunity to see people enjoying their music and the joy this brings and will see people making friendships and communicating through music.

The time involved is 1 to 2 hours weekly or fortnightly.
