

HORIZONS

Cope Foundation in Cork Communities

A Volunteer is needed for social outings with a male resident

Social Buddy - Riverview

This resident enjoys going for a drive, out for coffee or to the pub, cinema and mass. He is really happy once he is out and about and is a good character that enjoys a laugh. He uses a walker / wheelchair and needs supervision and some assistance whilst out. He has some speech difficulties but can always get his message across.

The Volunteer must be willing to use their own car to drive to various outings.

We would like someone to commit to 2 to 3 hours per week, anytime on Monday, Tuesday, Saturday and Sunday or evenings only on Wednesdays, Thursday and Friday.

The Volunteer needs a full clean driving licence and must have a kind, friendly attitude.

2-3hrs

Riverview
