Cope Foundation in Cork Communities

Support a man to get out to social activities

Social Buddy - Riverview

We have a male 65 year old resident who would love some company for an outing weekly/fortnightly. His interests include anything in relation to cars (vintage car shows/ garages showrooms etc.) playing pool, cinema and eating out.

A regular weekend commitment would suit best for between 2 and 4 hours in the afternoon or evening.

The volunteer should ideally be a similar age and have similar interests. Must have a calm temperament and be patient and kind.

2-4hrs
