Cope Foundation in Cork Communities

Volunteers are needed to accompany adults we support

Support Assistants - Glasheen Residence

Glasheen Residence Volunteers are needed to befriend and accompany adults we support with moderate level of supports required.

Any hours on Tuesday/Wednesday/Thursday afternoons would be welcomed.

The volunteers will take part in an activity such as Bingo, board games or go out for coffee. They must have good communication skills and be willing to interact.

The volunteers will gain experience of interacting with adults who have an intellectual disability whilst engaging with people who really appreciate all kindness shown to them.
